GSM School, Pune
2021 · 76%

INTERNSHIP EXPERIENCE

Creative Content Intern

BrandMatterz · Dec 2024 – Mar 2025 · Pune

- Developed visual assets and creatives for branding campaigns across Instagram, Facebook, and other digital platforms.
- Designed and managed promotional content including social media posts, banners, and campaign collateral.
- Gained hands-on exposure to content calendars, scheduling tools, and social media optimisation workflows.

PROJECTS

NirogOS — HealthTech SaaS Platform

[nirogos.in](#)

- Independently built and deployed a full-stack clinic management platform using React and Supabase, featuring real-time patient queuing, EMR, and mobile-responsive scheduling.
- Managed end-to-end product lifecycle: requirement gathering, UI design, front-end development, backend integration, and Vercel deployment.

Perception of Students Towards Social Media — Research Study

- Conducted a descriptive field study (n=100) analysing how social media advertising influences buying behaviour among college students. Designed questionnaire, collected primary data, and derived insights on platform-specific ad effectiveness.

Organic Farming in India — Research Paper

- Investigated the economic viability of organic farming, supply chain challenges, and government support schemes in India. Synthesised secondary research into a structured analytical report with policy-level recommendations.

CERTIFICATIONS & TRAINING

- MS-CIT — Maharashtra State Certificate in Information Technology
- Campus to Tech-Enabled Finance Training — TNS India Foundation (In Progress)
